June 13-15 8a.m.-10a.m.

This skills camp is designed to introduce and develop the fundamentals of volleyball. In this camp, we will cover the basics such as forearm passing, setting, serving, attacking, blocking, and the proper footwork and formation for each of these skills. We will also delve into upper-level concepts such as rotation, offensive and defensive positioning, and terminology. In addition to volleyball logistics, we will cover the importance of teamwork and sportsmanship to create a positive and uplifting athletic environment. Our focus is not only to excel as volleyball players, but to grow as leaders, friends, and sharers of God's love.
